

## Tall Units - Hinged Doors

### Dispensa TANDEM

- TANDEM offers completely new potential for food storage – just opening the door is an inspiration.
- In a clever piece of engineering, the back shelf element moves automatically towards the user as the door is pulled open.
- Kitchen users can check contents at a glance and easily reach what they want. The shelf element on the door is designed to make best use of the available space.
- Push to open mechanisms are suitable for this product - see page 2.28
